Overview of Accomplishments and Activities, August 15, 2012

A&M officially started performance on the Third Party Fiduciary Agent (TPFA) contract on September 15, 2010 based upon final signatures (the Notice to Proceed was issued on September 13, 2010). Initiation of progress tracking is based upon initial mobilization and official kick-off with the U.S. Department of Education (USDOE) on September 20, 2010.

The highlights for the month ending August 15, 2012 include the following:

- The FMIS system is functional in the areas of General Ledger, Accounts Payable, Budgets, Procurement, Payroll and Human Resources. The various departments are routinely working their way through the learning curve associated with a new system. While there are issues to be resolved, payroll has now gone live. The first payroll was processed through the GDOE MUNIS system for payday August 3, 2012 for the payroll ending July 27, 2012. The first payroll The implementation team will have to continue to work to roll out employee self-service to all employees so that time entry will be decentralized as planned.
- Deployment of the power user workstations and the virtual workstations for the FMIS continues. These new computers are part of the FMIS installation and improve the system usability by the various administrative departments by replacing old and obsolete computer workstations.
- TPFA assisted GDOE federal programs team to review expiring grants to determine need for grant amendments.
- TPFA continues to work with Supply Management to monitor ongoing procurements to ensure successful completion in order to avoid lapse of expiring grant funds.
- Plans have been formulated and training needs assessed in order to prepare for the September start of the physical inventory.

Tracking Procurement for Grants Expiring for Obligation September 30, 2012

Between April 15 and September 30, 2012 GDOE has \$14 million to obligate. A number of steps have been taken to expedite these procurement activities. One of the planned steps includes the employment of a third attorney by GDOE to specifically to focus on procurements using U.S. Education grant funds. Additionally A&M has augmented its staff over the summer months to assist with meeting year-end deadlines. Other actions will be documented as they occur.

Each bar in the chart will turn green as obligations are finalized. The chart starts with the remaining balance as of April 15, 2012. During the last 30 days, \$??K has been expended or otherwise obligated. A first-in/first-out analyses of the 2009, 2010 and 2011 consolidated grants have been completed and contribute to the results below. An amendment request for the FY2010 Title V, Part A consolidated grant will be submitted to U.S. Ed on August 16, 2012 to request permission for budget revisions needed for technology purchases.

Performance Plan Evidence of Completion Achievement

After evaluating the requirements of GDOE and working with USDOE during the week of September 20, 2010, A&M proposed review of the performance management plan to re-prioritize efforts on standing up the FMIS as quickly as possible. This prioritization was based upon meetings with GDOE leadership, the Education Policy Board and the Guam Legislature which underscored the criticality of gaining USDOE’s approval to drawdown funds and reimbursing local funds. The tracking reflects proposed changes, for GDOE’s review and finalization.

Immediate Areas Requiring GDOE/A&M Attention

The following **critical activities and actions** require attention from the GDOE and A&M:

- Continue to expedite procurement activities to insure that all expiring funds have been obligated in an efficient and expedited manner.
- Continue to examine all grants to insure that first-in/first-out principles have been followed appropriately with any and all adjustments that are necessary are completed.
- Finalize and submit the FY 2011 Indirect Cost proposal.
- Continue to work toward finalizing the remaining implementation action items for the FMIS including reviewing and adopting new standard operating procedures (SOP's) that support the FMIS.
- GDOE is currently exploring extending its contracts with Tyler Technologies and Warbird to get the continued support needed to successfully complete the implementation of the FMIS.
- A physical inventory is required for all equipment purchased with U.S. Department of Education funds. This inventory is being planned to begin in early September and will utilize the new BMI scanners. A&M has planned

onsite training of the BMI software for the week of August 27th through August 31st. During the onsite visit, BMI will train appropriate GDOE and TPFA personnel on the use of the scanners as well as assist in planning for the start of the physical inventory. GDOE plans to conduct a complete physical inventory for all assets however, if for any reason GDOE is unable to complete the inventory then A&M will conduct a separate physical inventory for assets procured with U.S. Department of Education grants funds.

- Revise the 2012 Consolidated Grant Application based upon input from U.S. Ed Title V program team and resubmit application.
- Submit the FY2010 Title V, Part A consolidated grant amendments to U.S. Ed for approval.
- Negotiations are ongoing for the extension of the Alvarez & Marsal contract. We have planned for a one year extension and are negotiating contract price and scope.
