## Overview of Accomplishments and Activities, May 15, 2014

A&M officially started performance on the Third Party Fiduciary Agent (TPFA) contract on September 15, 2010 based upon final signatures (the Notice to Proceed was issued on September 13, 2010). Initiation of progress tracking is based upon initial mobilization and official kick-off with the U.S. Department of Education (USDOE) on September 20, 2010.

The highlights for the month ending May 15, 2014 include the following:

- TPFA continues work on the local implementation plan activities report including human capital assessment and the internal control activities for GDOE to support getting off high risk status.
  - TPFA reviewed GDOE's draft standard operating procedures (SOPs) and made recommendations for improvements.
- TPFA furnishes GDOE with cash flow reports that consist of a daily cash snap shot that shows variances day over day. In addition, TPFA provides a daily A/P aging report to senior management which is included in the daily cash distribution package. The TPFA has created a weekly cash report which will categorizes both source and uses of cash. This report will help the GDOE better understand their cash flow and ultimately help them understand historical trends which will aid in the overall forecasting process. The weekly cash report has been distributed for the following weeks: week ending 4/25; week ending 5/2; and week ending 5/9.
- Physical inventory of GDOE schools/divisions is complete and the reconciliation process is currently underway. The majority of GDOE administrators and property liaisons have improved their preparation and organization of fixed asset management in their respective locations.
- TPFA has hired an intern to support GDOE summer procurement efforts in the effort of obligating remaining funds for grants that expire in July and September 2014. The search continues for a second intern.
- TPFA has completed its follow-up on open encumbrances for the FY2011 Title V, Part A Consolidated Grant and has prepared a late liquidation request in the amount of \$64,376.65 to be submitted to U.S. Department of Education.
