**FOR IMMEDIATE RELEASE**

### **Guam Department of Education Partnership with 105.1 WAVE FM**

*Tiyan, Guam* – The Guam Department of Education (GDOE) is pleased to announce its partnership with Glimpses Media, 105.1 WAVE FM Radio. The collaboration will allow **GDOE to host a weekly radio show will air every Friday, from 10:00AM to 11:00PM. The weekly radio show debuted on Friday, January 12, 2024.**

The GDOE and 105.1 WAVE FM have launched a new radio talk show called "*EduKuentos*" to share educational news and insights with the public. The show will include conversations with GDOE leaders, experts and stakeholders, as well as updates on the latest initiatives, activities and events for the island's students and families. The purpose of this collaboration is to use the radio medium to reach a wider audience and communicate in a clear, concise and transparent way. This is also a chance for the parents, students and stakeholders to call the radio stations for Question & Answer (Q&A) segment.

GDOE invites the community to join us by tuning in to "*EduKuentos*" Talk Radio every Friday. You can access the show by clicking on <http://thewave105.com>. If you wish to ask any questions to the guest on the talk show, please call (671) 922-1051.

GDOE Superintendent Dr. Erik Swanson, PhD, stated, "*We are thrilled to announce that we have joined forces with the Glimpses Media, 105.1 WAVE FM Radio to bring you educational content on the radio. This collaboration aims to enhance the GDOE's ability to connect with the community through a reliable and engaging medium. We believe that this initiative will benefit the island students by providing them with clear, concise and transparent information to support their learning journey.*"

Marcos Fong, CEO of Glimpses Media said, "*Providing a platform for community conversations is a key part of our mission and this collaboration with the Guam Department of Education is a fine example of that in action by allowing the community-at-large to interact with the leadership of our public schools. We're excited to provide the forum to make this happen.*"
