Reports and Report Format

As stated in the approved Comprehensive Corrective Action Plan (CCAP), the Special Conditions require GDOE to provide quarterly reports to the US Department of Education (ED) on the Guam Department of Education's (GDOE) progress in implementing measures required under the CCAP. While the Special Conditions do not specify a particular format for the progress reports, it is anticipated that each report will, at a minimum, include the implementation status for each activity, highlight any risks associated with successful completion, and also identify any changes which would require modifying actions and/or timelines. Feedback regarding format and content is not only welcomed, but encouraged.

Executive Summary

Changes to procedures for reimbursement of personnel costs began late in the quarter and will require a revision of tasks in this area.

Tasks related to optimizing use of the Financial Management Information System are ongoing. FMIS staff working with property management, maintenance and payroll to look at potential improvements to processes by taking advantage of system functionality.

The FY16 Audit engagement is progressing. Recruitment of an additional auditor to complete the Internal Audit Office team was accomplished. Inputs for the Management Internal Control Reports were collected and development of the draft report is in process. Approval of the audit plan for the upcoming year was obtained.

Updates on six SOPs completed. Two additional SOPs added to tracking. Training sessions on the SOPs were substantially completed by the end of 2016 with additional sessions scheduled for January 2017.

Request for funding of program coordinator to assist with contract management and warehouse manager included in the FY18 budget submission to Guam Education Board. Recruitment of vacant Property Management Officer ongoing.

Procurement continues to generate reports on requisitions and open purchase orders as well as conduct regular meetings with project directors and division heads. Vendor evaluations will be included in upcoming procurements.

Training of Property Liaisons occurred in preparation of the 2017 physical inventory. Results of the 2016 physical inventory were disseminated to all school administrators and division heads. Discussions revolving around procedures to reduce the number of missing assets ongoing.

Completion Risk Key:

Risk Level High – Deliverables / objectives will not be completed in a timely manner;

Risk Level Moderate – Deliverables / objectives may not be completed in a timely manner; and

Risk Level Low – Deliverables / objectives will be completed in a timely manner.

Internal Controls and Procedures

Required Actions and Activities	Status Report as of 12/31/2016	Next Steps / Comments
<p>IC-1: Over the next two years, GDOE will develop and implement a credible financial management system. Management will ensure employees are properly trained on new system and trained on the new standard operating procedures as a result of the new FMIS. This will ensure the system would provide the correct amount of funds, in the correct accounts, in a consistent and timely manner. Credible financial management includes systems, policies and procedures that (1) provide access to reliable information when needed, (2) account appropriately for funds, (3) ensure timely deposits or draw down of funds, (4) ensure timely and accurate payments, (5) otherwise enable and support generally accepted government financial management and accounting standards and requirements.</p> <p>Additionally, the financial management system will record and account for all draws and expenditures of federal education funds</p>	<p>See FMIS -4 for updates on FMIS training and tasks related to SOPs.</p>	<p>See FMIS -4 for updates on FMIS training and tasks related to SOPs.</p>

Internal Controls and Procedures

Required Actions and Activities	Status Report as of 12/30/2016	Next Steps / Comments
<p>IC-2: GDOE Finance and Administration must demonstrate improved communication and cooperation to develop an integrated financial management system that meets the needs of the organization.</p>	<p>8.C Accounting / General Ledger 8.C.2 Transition entering of budget and budget amendments into TPFA system. Was transitioned to GDOE's budget office with TPFA doing final approval, until budget lead left the GDOE.</p> <p>Federal Programs continues to work with TPFA, Accounting, Payroll, Human Resources, Budget, Internal Audit, and Program Managers to ensure new time and effort procedures working as planned.</p> <p>Meetings held with project directors, accounting, budget, and human resources to discuss grant requirements for recent GANs.</p> <p>Regular transition plan meetings with TPFA, Federal Programs, Internal Audit, Procurement, Property Management, Financial Affairs, FMIS.</p> <p>Stakeholder satisfaction surveys ongoing for Human Resources and Procurement.</p>	<p>Continue collaboration with schools and divisions to address:</p> <ul style="list-style-type: none"> • Personnel and payroll issues; • Procurement, receiving, inventory, and payables issues; • Budgeting and reporting issues; • Cash receipts and account receivable issues; and • Non-Appropriated Funds. <p>Benchmarks and stakeholder satisfaction surveys in process of adoption/development for all operational divisions.</p> <p>Stakeholder satisfaction survey to be put in place in Business Office.</p>
Implementation Deliverables	Completion Risks	
<p>IC-2: Department-wide subcommittee structure focused on each of the issue areas. The structure will drive collaboration, which is also necessary to support FMIS implementation which supports GDOE-wide financial management. GDOE departments working together on a daily basis to address implementation, compliance and other activities. Efforts to include direct Internal Audit support of external independent auditors in conduct of single audits as required by the Single Audit Act.</p>	<p>Adaptation Risk – acceptance of direct deposit by employees. Risk level – Low Vendor EFTs/ACH. Risk level – Moderate.</p> <p>Maintaining sufficient staffing levels within the Business Office and IAO continues to be a challenge with the retention of personnel due to resignations and competitive salaries at other GovGuam agencies. <p>PM-4: GDOE will ensure that US ED is reimbursed, as appropriate and consistent with federal regulations, when equipment damage results from inappropriate use.</p>	<p>Guidance sought from US ED during their visit in July 2014. The GDOE recommended implementing activities to resolve PM-2 is more appropriate to achieving grant objectives than reimbursing US ED. Awaiting response.</p>
