Based on the Deputy Attorney General’s information and guidance on August 24, 2018 (Ref: DOA 18-0353), there is a fundamental difference in the interpretation of what GDOE shall validate as an accurate and proper use of government funds. GDOE strongly believes in transparency and accountability and the work being done by IAO in its review is not contrary to any legislative statutes. IAO has a fiduciary responsibility and is guided by professional standards in conducting any review. As such, IAO will continue to do its due diligence in properly and thoroughly advising the Superintendent of charter school’s requests for drawdown of government funds. The Department of Administration has control over all education and charter school appropriations and is not obligated to follow the Superintendent’s validation and can release requested charter school allotments on its own accord.
