SUBJECT: May 2018 Review of Guahan Academy Charter School Inc.'s Invoices

Hafa Adai,

The Guam Department of Education (GDOE) Internal Audit Office (IAO) has completed its review of Guahan Academy Charter School (GACS)'s third partial allotment request for May 2018. GDOE (IAO) is authorized by Public Law (PL) 34-42 to verify charter school invoices for accuracy and report its findings within 10 days.

On May 25, 2018, IAO received the Department of Administration's transmittal for GACS's May 2018 Partial #3 Allotment Request of \$17,700.37. The IAO was able to validate \$17,700.37 of GACS's submitted invoices.

PL 34-42 provides \$6,500 for each student up to 740 students or a total of \$4,810,000. However, due to revenue shortfalls from tax cuts, GACS's FY 2018 appropriations were reduced by \$416,719¹ for a revised appropriation of \$4,393,281. For FY 2018, IAO validated \$2,899,976.64

of expenditures, leaving a balance of \$1,493,304.36 of unexpended funds. As of May 23, 2018, 883 students were enrolled in GACS. See Tables 2 and 3.

District Curriculum Leadership Framework

Purpose: At the direction of the Superintendent and Chairman of the Board, the Deputy Superintendent of Curriculum and Instructional Improvement was tasked to develop a district-wide framework to improve communication with teachers by engaging with them more directly on matters related to the review, design and development of curriculum policies, procedures and programs including the professional development for teachers. This request fell in line with work that was currently being done in the district that utilized teacher leaders, school training cadres and curriculum leadership teams and could be used as a way to formalize and strengthen some of the existing teams as well as explore other leadership structures that already exist in the schools. What follows below is a summary of the different leadership teams organized by levels of interaction and function. They allow for direct teacher engagement at all grade levels and schools.

- I. **1st Level-Leadership Team:** Principals, Assistant Principals and Teacher Leaders (teacher leaders determined by school admin in consultations with faculty and staff).
 - i. Purpose:
 1. Review curriculum policies, practices, programs/projects and provide input from a whole school perspective.
 2. Discuss best practices and issues and share effective leadership strategies.
 3. Function as the main conduit between schools and the district for major policy and operational initiatives. This is the first level of engagement with all schools and will include an overarching responsibility of leadership within all other subsequent levels.
 - ii. Meeting times: 3 times a year for Leadership Academy (Summer, Christmas Break, Easter Break), additional meetings as needed for policy proposals.
- b. **2nd Level-Leadership Team: Department Chairpersons** for each content area (Language Arts, Math, Science, Social Studies, PE/Health, Electives)
 - i. Purpose:
 1. Review curriculum policies, practices, programs/projects and provide input from a specific content area perspective.
 2. Discuss best practices and issues and share effective content area leadership strategies for their department.
 3. Function as the main communication line between schools and the district for major policy and operational initiatives related to specific content areas.
 - ii. Meeting times: 3 times a year (end of each semester)
- c. **3rd Level Leadership Team: Subject Area Representatives** (specific subjects/courses), 1 rep per school for each subject:
 - i. Purpose:
 1. Review curriculum policies, practices, programs/projects and provide input from a specific subject area perspective.
 2. Discuss best practices and issues regarding their specific subject area.
 3. Serve as part of a vertical discussion group to help improve the cohesion and vertical articulation of each subject's Priority Standards, Skills and Topics.
 4. Share PLC strategies, engage in curriculum development discussions, review student assessment and progress, engage in vertical discussion with lower and upper grades.
 5. Functions as points of contact for their respective subjects and schools.
 - ii. Meeting times: 4 times a year (end of each quarter), and as needed for special projects like the development of proficiency scales and the revision of our Standards-Based Assessment.
- d. **4th Level Large Group: Department and Horizontal Groups:** All teachers from each grade level or subject area from all schools
 - i. Purpose:

1. Review curriculum policies, practices, programs/projects and provide input from a specific subject area perspective.
 2. Discuss best practices and issues regarding their specific subject area.
 3. Share PLC strategies, engage in curriculum development discussions, review student assessment and progress, engage in vertical discussion with lower and upper grades.
 4. Large group review of curriculum materials, sharing of large scale strategies, specific content area professional development.
