SUBJECT: November 2018 Review of Guahan Academy Charter School Inc.'s Invoices

Hafa Adai,

The Guam Department of Education (GDOE) Internal Audit Office (IAO) has completed its review of Guahan Academy Charter School (GACS)'s second allotment request for November 2018. GDOE (IAO) is authorized by Public Law (P.L.) 34-116 to verify charter school invoices for accuracy and report its findings within 10 days.

On December 3, 2018, IAO received the Department of Administration's transmittal for GACS's November 2018 Partial #2 Allotment Request of \$123,322.92. IAO was able to validate **\$106,610.75** of GACS's submitted invoices.

IAO was not able to validate \$16,712.17 of invoices for insurance due to the invoice occurring in Fiscal Year (FY) 2018. Per P.L. 34-116, Section 1, "the appropriations made by this Act shall be available to pay for Fiscal Year 2019 obligations incurred on or after October 1, 2018 but not later than September 30, 2019". See Table 1 and Appendix 1.

Based on the per pupil cast, GACS's current FY 2019 budget is \$4,340,744. Based on the Deputy Attorney General's information and guidance on August 24, 2018 (Ref: DOA 18-0353), there is a fundamental difference in the interpretation of what GDOE shall validate as an accurate and proper use of government funds. GDOE strongly believes in transparency and accountability and the work being done by IAO in its review is not contrary to any legislative statutes. IAO has a fiduciary responsibility and is guided by professional standards in conducting any review. As such, IAO will continue to do its due diligence in properly and thoroughly advising the Superintendent of charter school's requests for drawdown of government funds. The Department of Administration has control over all education and charter school appropriations and is not obligated to follow the Superintendent's validation and can release requested charter school allotments on its own accord.

Per P.L. 34-116, Guam Academy Charter Schools are to receive local appropriations in proportion to the ratio of cash received by GDOE for FY 2019. IAO will be including data

relative to GDOE's cash receipts in future validation reports. Charter school available funds will be based on the proportion of cash received by GDOE as required by law.
