Re: Guahan Academy Charter School: FY 2018 September 2018 (Partial #6) Allotment Request

Hafa Adai,

Upon review of the Guahan Academy Charter School Fiscal Year 2018 September 2018 (Partial #6) Allotment Request by our Internal Audit Office in collaboration with members of the Guahan Academy Charter School Incorporated, I am unable to submit my verification of accuracy as required by Public Law 34-42, Chapter II, Section 3 in its entirety.

Our Internal Audit Office was able to validate \$3,067.82 of the invoiced total. Please see the attached verification report. This validation is based on actual invoices submitted to our Internal Audit Office on October 19, 2018.

On a moving forward basis, IAO will be tracking the local appropriations received by charter schools against cash received by GDOE. Per P.L. 34-42, Guahan Academy Charter Schools were to receive local appropriations in proportion to the cash received by GDOE for FY 2018. This additional review will be included in IAO's validation reports to ensure that charter schools receive local funds as prescribed in law.

Please advise my office if you have any further questions or concerns regarding this matter.

Sincerely,

Jon J.P. Fernandez
Superintendent of Education

October 26, 2018

MEMORANDUM

TO: Jon J.P. Fernandez, Superintendent of Education

CC: Taling M. Taitano, Deputy Superintendent of Finance and Administrative Services

FROM:  Franklin J.T. Cooper-Nurse, Chief Auditor, Internal Audit Office

SUBJECT: September 2018 Review of Guahan Academy Charter School Inc.'s Invoices

Hafa Adai,

The Guam Department of Education (GDOE) Internal Audit Office (IAO) has completed its review of Guahan Academy Charter School (GACS)'s sixth partial allotment request for September 2018. GDOE (IAO) is authorized by Public Law (P.L.) 34-42 to verify charter school invoices for accuracy and report its findings within 10 days.

On October 19, 2018, IAO received the Department of Administration's transmittal for GACS's September 2018 Partial #6 Allotment Request of \$10,067.82. IAO was able to validate \$3,067.82 of GACS's submitted invoices. IAO was unable to validate a \$7,000 invoice for The Advocate as it was a prior period invoice and an FY 2017 expense. Per P.L. 34-42, Chapter 1, Section 1, "appropriations made by this Act shall be available to pay for Fiscal Year 2018 obligations incurred on or after October 1, 2017 but not later than September 30, 2018." See Table 1 and Appendix 1.

Table 1: September 2018 Allotment Request Invoices (Partial #6)

Object Class	GACS Drawdown	Submitted Invoices	IAO's Validation	Difference
Supplies & Material	\$ 194.94	\$ 194.94	\$ 194.94	\$ -
Miscellaneous	\$ 9,872.88	\$ 9,872.88	\$ 2,872.88	\$ 7,000.00
TOTAL	\$ 10,067.82	\$ 10,067.82	\$ 3,067.82	\$ 7,000.00

P.L. 34-42 provides \$6,500 for each student up to 740 students or a total of \$4,810,000. However, due to revenue shortfalls from tax cuts, GACS's Fiscal Year (FY) 2018 appropriations

were reduced by \$416,719¹ for a revised appropriation of \$4,393,281. For FY 2018, IAO validated \$4,053,705.25 of expenditures, leaving a balance of \$339,575.75 of unexpended funds. As of September 30, 2018, 713 students were enrolled in GACS. See Tables 2 and 3.

Based on recent communications with DOA, GACS's FY 2017 allotment requests, submitted during FY 2018, were drawn from GACS's FY 2018 appropriations. At the end of FY 2017, GACS's had remaining funds of \$50,586. However, due to the deficit, DOA informed IAO that the FY 2017 lapse funds did not roll-over into FY 2018. Therefore, GACS's FY 2018 appropriations are further reduced by \$16,275.70, the amount validated for FY 2017 expenses during FY 2018.

Per P.L. 34-42, Guam Academy Charter Schools are to receive local appropriations in proportion to the cash received by GDOE for FY 2018. As of September 27, 2018, GDOE has received 98% of its FY 2018 local appropriations. To date, GACS was provided 93% of their allotted appropriations. See Table 4 and Appendix 2.

Based on the Deputy Attorney General's information and guidance on August 24, 2018 (Ref: DOA 18-0353), there is a fundamental difference in the interpretation of what GDOE shall validate as an accurate and proper use of government funds. GDOE strongly believes in transparency and accountability and the work being done by IAO in its review is not contrary to any legislative statutes. IAO has a fiduciary responsibility and is guided by professional standards in conducting any review. As such, IAO will continue to do its due diligence in properly and thoroughly advising the Superintendent of charter school's requests for drawdown of government funds. The Department of Administration has control over all education and charter school appropriations and is not obligated to follow the Superintendent's validation and can release requested charter school allotments on its own accord.
